Student #:

Credit hours completed:

(not including current semester enrollment)

Local Address:

City, State, Zip Code:

Telephone #:

Email address:

Anticipated Graduation Date:

Major(s):

Minor(s):

Cumulative GPA at the end of Fall 2025:

**Required Supplemental Materials**

- A copy of your current college transcript (unofficial is acceptable).
- Letter of recommendation
- Responses to Supplemental Questions

**Please fill in your answers in the electronic format.**

1. Leadership in Action: Resource Centers play a vital role in fostering community and student success. Describe a time when you took initiative or demonstrated leadership in your role at a Resource Center. How did your actions contribute to a more supportive environment for students?
2. Growth Through Leadership: Leadership is not just about guiding others—it's also about personal growth and learning. What leadership skills have you developed through your work at a Resource Center, and how have these skills influenced your approach to supporting other students?
3. Vision for the Future: As a student leader in a Resource Center, you have the opportunity to shape the experiences of your peers. If given the chance to implement a new initiative or improve an existing program, what would you propose, and how would your leadership contribute to its success?

I understand and meet the minimum criteria and requirements as stated ~~above~~ in this Qualtrics form in reference to my application for the Resource Centers Scholarship, and attest that the information provided herein is correct. By signing below, I give my permission to verify my student status, university standing, and GPA at a University of Missouri system campus.
